HOW MANY MORE EVIL CHUAS ARE

THE appalling case of a nurse killing patients at Stockport's Stepping Hill hospital was made worse when we learned the man should never have been working there

in the first place. Filipino Victorino Chua used forged documents citing fake qualifications to

get the position of "nursing" patients.

And as a direct result, he was In a position to be able to kill two of them.

Lurking

Now it's feared Chua is not alone. Even the Crown

Prosecutor in the case admitted he doesn't know if there are "hundreds or thousands" more Victorino Chua's out there lurking in the

Is it really now the case that all you need to obtain a job in the NHS is to be some kind of a dab hand with a photocopier and an ability to cut and paste?

We should police UK borders like Aussies

IT'S worrying that around 700 British people have travelled to Syria - with many of them trying to join up with the murderers of Islamic State.

This is madness.

If we know the numbers, then presumably we know the names.

And if we know the names, why aren't we rounding these people up?

After the terrible events of September 11, and then the atrocious 7/7 bombings in London in 2005, haven't we learned ANYTHING?

This just wouldn't happen

This just wouldn't happen elsewhere.

Jihadis wanting to return home to Australia, for example, have been warned they face arrest, prosecution and jail.

And that's because the Aussies don't soft soap when it comes to their own borders.

We learn also that Islamic State is smuggling fighters into Europe by telling them to shave their beards and pretend to be Libyan refugees.

once granted refugee status in Europe, they are then free to travel anywhere within Europe's borders — including to the United Kingdom.

This is emphatically not to say we should be refusing refugees that come from Libya.

We absolutely should accept our share.

After all, if it wasn't for our

But at the same time, how do

But at the same time, how do we know who is and who isn't a GENUINE asylum seeker? Intelligence experts in Libya say Islamic State militants are using gangs trafficking migrants over the Mediterranean to get IS members into the West.

These individuals are considered prize operatives because they can then travel undetected.

Abdul Basit Haroun, an adviser to the Libyan government's intelligence service, says some migrants are being forced to join IS or take a seven-day course in Sharia law before heading for Europe on traffickers' boats.

He told BBC Radio 5 Live: "They use the boats for their people who they want to send to Europe, as the European police don't know who is from IS and who is a normal refugee or not. "The boat owners have a list of who to take but some people come suddenly out of the list and they're told, "Take them with you." "They come alone and in the boat they are not scared at all. They are for IS – 100 per cent." This isn't a myth. It's reality. And it's happening right now.

INVESTIGATION AS AMERICA REELS

BLOOD-THIRSTY biker gangs brought murder to the streets of America this week after a brutal shoot-out left NINE dead.

It began as a bout of fisticuffs between members of the Bandidos Motorcycle Club and their enemies, the Cossacks, in a restaurant in Waco, Texas.

And it quickly escalated into all-out war, as knives, heavy metal chains and guns wreaked havoc, leaving gore-soaked corpses and 18 others hospital.

A staggering 100 rounds of ammunition were exchanged between the two-wheeled nemies - and cops have enemies - and cops since made a whopping

170 arrests.

A clearly stunned Waco police Sgt W Patrick Swanton said: "There were dead everywhere, blood everywhere."

Devastating

Law enforcement can at least be grateful that the alliance between the Bandidos and the Outlaws has grown and the Outlaws has grown along with the clubs' territories, with both treating the Hells Angels as their primary rival as they do in North America. A three-way conflict between the gangs would have devastating consequences on the streets.

As it is, the violence continues. In January 2008 three Hells Angels were attacked in Birmingham, England. Witnesses described the attackers as "using metal

bars, chains and knives". Europol recently warned UK cops to increase their awareness of biker gangs like the Bandidos following a surge in numbers.

A spokesman said: "Establishing a chapter on the turf of another gang is interpreted as an act of provocation. This is likely to result in violent confrontations which could include the use of Kalashnikovs and explosive

devices such as grenades. "Given the significant expansion of gangs in Europe. we have informed law enforcement partners of the risk of clashes.

IT'S been one hell of a week... I was burnin' rubber around a racetrack in a luxury Maserati sports car!

Last Thursday, I went to the Millbrook Proving Ground in Bedford, where members of the public get to test out high-speed vehicles.

And I'm proud to say I got the FASTEST speed of the day – beating 50 other people!

I didn't do it alone, of course – I had a lovely professional driver next

to me in the passenger seat. But I felt really good about myself, it was such a thrill.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their stuff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in

Jones THREE is a party!
The 28-year-old model, originally from Budapest, enjoys THREESOMES with her long-term partner.
And the 34DD beauty is PROUD to admit her fella sleeps with other women.
In an EXCLUSIVE interview with Midweek Sport, the saucy glamour girl reveals how she got involved with the "swinging lifestyle".
Buttake care, readers... her confession may SHOCK you!
Stella confessed: "It all started two-and-a-half years ago when my I was living with my boyfriend—now fiance—in north London.
"We had a very active sex life, and I thought he was completely satisfied.
"But one day he told me he'd been having an affair with a girl he met on an online dating website.
"Apparently, they would sleep together while I was abroad on modelling jobs.
"At first I was devastated, but then I felt really excited. The fact I was jealous and angry was a real turn-on.
"We'd been together for ages and, of course. I'd thought about sleeping with other people, too. But I'd never actually done it.
"And the thought of him f"king another girl on our bed just felt so... satisfying. I can't really explain but I wanted to find out more.
"He was terrified! But I asked him to tell me everything about their affair—including all of the intimate sexual details.

Pleasure

Pleasure

They would do lots of things that we had never done together. I was a bit hurt, but it really brought out my competitive side.

"It sounds mad, but I basically demanded a threesome with them on the spot!

"After all, I was supposed to be his girlfriend.

"Later that day, he invited his 'mistress' over to our flat and they started kissing while I watched them from the bathroom — with her not knowing I was hiding.

"Just as they started getting naked, I came out of hiding and walked in on them—the look on her face was priceless!

"She said, 'I'm sorry, I didn't know you would be coming home'. But I just smiled and took off my clothes...

"That was the first time 'sharing' my man with another girl — and it was totally amazing!

"I liked watching my boyfriend give pleasure to another woman, and I enjoyed the experience of having two people in

"We've also been to one
of those high-class sex
parties and I've watched
him have sex with some
really beautiful women.

"He enjoys watching me
sleep with other men, too.

"One night. I shagged FIVE
guys – at one point I had every
hole filled while I masturbated
two men simultaneously.

"I still went home with my
fiancé at the end of the evening.

"It's a special arrangement.

"It's a special arrangement, but we're both very happy. And our sex life is phenomenal.
"This shows that infidelity doesn't always have to end a relationship... it practically SAVED ours!"

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience –

NICKIE ANN has been reading through your letters. And here's her advice for you...

Taboo love w son's redhea

Dear Nickie,

I'M a 50-year-old divorcee - my ex-wife dumped me two years ago to live with her toyboy lover and I've not had sex since.

A few weeks ago I went to see my son at his place but his girlfriend said he was out.

We made small talk for a while but I felt uncomfortable being alone with her—she's a gorgeous, busty redhead and I've always wanted to bone her.

After a brew and a brief catch-up, I got up to leave but she insisted I stay for lunch. Reluctantly I agreed and after watching TV for a while came back in the lounge in a see-through blouse and a tiny mini-skirt.

I tried to look away but she plonked herself next to me on the sofa and began rubbing her leg seductively against mine.

leg seductively against mine.

Within seconds I developed a hard-on and when she saw it she gave my cock a gentle

squeeze, then unzipped me and got on her knees to suckit. Not surprisingly, I was ready to shoot in no time

Then while she was waiting for me to recover she sat astride me and rubbed her magnificent tits in my face.

This had the desired effect and as my cock shot up to its full length again, and she lowered her panties and eased her wet fanny on it. This time I was able to control myself and she

This time I was able to control myself and she began to squeal in ecstasy as she rode me.

We went to her bedroom and I screwed her hard and fast and then I did something I've always wanted - f**k a woman in the arse.

We spent the next few hours sucking, licking and shaging each other.

Since then neither of us has said a word about what happened but I feel ashamed about the strain or my son.

cheating on my son. Should I tell him?

MD, Essex

Nickie savs...

NO - because as they say, 'it takes two to tango'.

Dear Nickie.

MY wife and I both work full time and took on

MY wife and I both work full time and took on a nanny to help at home a few months ago. She's a busty Australian and it wasn't long before we started shagging.

I was off work one day and saw her stood in her room starkers. She beckoned me in and we were immediately kissing and groping each other, as she ripped my clothes off.

I lay her on the bed and licked her pussy then she get down on her knees and sucked me off.

she got down on her knees and sucked me off.
We had the most amazing sex and have been doing so for a few weeks.

My wife doesn't suspect a thing but the hired help keeps playing footsie with me under the table at shared meal times.

I'm infatuated with her and I've been taking a lot of time off work - just to bonk her.
I've also been having sex with my wife in between, to keep her happy, but it's exhausting.
I'm worried I'll lose them both - and my job

as I keep dozing at my desk. What should I do?

HM, Cheshire

Nickie says...

EMPLOY a nanny who looks more like Mary Poppins, then you won't be tempted to shag her.

MY boss's wife is 48, and a really nt blonde with a nice figure.

A couple a weeks ago she threw a surprise party for her hubby and I was invited.

She looked great in a black dress, which showed off her recent boobjob, and as the night went on we got chatting and flirting and she made it clear she was well up for a sneaky f**k.

We arranged to meet in the bathroom and she wasted no time in getting my dick out and slavering

wasted no time in getting my dick out and slavering

all over it.

Then she whipped off her knickers and I took her from behind as she leaned over the sink.

I've seen her a few times since but now wants me to "look after" two of her mates the same way!

They're both in their 50s but not really that attractive. And she said if I don't do them, she'll get me bloody sacked.

What should I do?

DP. South Yorks

Nickie says...

REFUSE - and say you'll tell her hubby about your affair.

Dear Nickie.

THE only girls I can attract are really fat lasses — and I've shagged loads of them, even though it's hard getting my modest five-inch dick into all those layers of fat.

I have just come out of my apprenticeship as a pipe-fitter and have been given a much-needed pay rise.

Even with cash in my pocket I can't seem to pull girls with cracking figures.

But at least I find the fat girls will do almost anything for a shag.

As a result I have had more oral sex than a fella could wish for.

And anal is often on the cards with the larger girls, too.

In fact, I had one recently who would not have sex in any other position!

In fact, I had one recently who would not have sex in any other position!

I lubed her up nicely and plunged my tool up her gaping back passage until she screamed the house down.

But I still yearn for a slim, shapely looker with similar sexual tastes as the tubsters. How do I find one?

TC, Merseyside

Nickie says...

'D just take things as they come and think yourself lucky you're getting oral and anal virtually on demand.

Dear Nickie,

I'VE been dating my girlfriend for a few months but I fancy her best mate like mad and it's driving me nuts.

I think she feels the same way as me because when my girlfriend's not looking she flashes her books and winks at me.

She's even been known to give my dick a sly stroke through my trousers, giving me a massive and embarrassing boner.

The other day she went even further when she came round for a few drinks in the garden.

She deliherately parted her thighs and flashed me her bare, shaved minge.

But I'm too scared to do anything about it at the moment, even though I'd love to shag her brains out.

Should I give her one?

JH, West Midlands

Nickie says...

BRITAIN'S favourite sex position is FINALLY revealed... and it's DOGGY-STYLE!

A shock poll discovered that over a THIRD of women prefer getting football. from behind.

from behind.

But most girls still choose MISSIONARY position when they first have sex with a new bloke.

The UK's biggest online adult shop Lovehoney asked 2,300 horny Brits about their sex lives.

And two thirds of couples reckon the BEST sex routine involves "mixing it up" and using several different positions.

The most popular position overall was doggy-style — chosen by 35 per cent of women and 30 per cent of men.

Experimental

And according to almost a quarter of women, doggy is also the most effective way of reaching orgasm.

But the most common position for first-time sex is good, old-fashioned missionary.

Because a whoppin 63 per cent of women admitted the bloke went 'on top' during their first encounter.

Eventually, nine out of 10 couples talk about their favourite positions before they arrive at a routine that

OUR SPORTS BETTING GURU WILL PUT YOU ON A WINNER!

SUNDERLAND have all but pulled off the sort of Great Escape that would Steve McQueen make proud.

And they visit an Arsenal side tonight buoyed by a creditable 1-1 draw against nearest rivals Manchester United on Sunday.

But they still aren't out of the woods so they need at least a point.

Okay the Black Cats have two to play when everyone else has one, but a freak combination of results, which includes Hull City beating Manchester United on the final day, could still send therm therm down.

Arsenal were resilient against United and also have two to play.

They should get third but catching Manchester City for second is probably beyond

The most sensible prediction is another stalemate which suits both sides equally well. A look at the league table makes Arsenal the quality side

but Sunderland are unbeaten in their last four outings and

ARSENAL v SUNDERLAND, WED, 7.45, SSPI

could well make it five. A best price 12/1 about Sunderland is pretty enormous in a three-

But you have to remember they have only won three away

they have only won thre games all season.

To their credit they have only lost six with eight ties in between. That's not bad for a side fighting off fighting off relegation and like we said they have improved of

Arsenal are 1/3 but we like the draw which is Arsenal 1/3 but w just over 5/1 with Betbright. And if you want to be

greedy, you can have eight and a half to one about the game being level at the break and also at full time.

With both sides relatively stress-free there could be goals in this.

And a 2-2 correct score is a

massive 28/1 with BetVictor. Unrealistic perhaps, but a 3-3 is 150/1 with bwin, I'm sure in the good old days of coupons across the betting shop counter the best you could have about

the best you could have about that verdict was 66/1.
Olivier Giroud leads the first goalscorer markets, as big as 7/2 in some places but as thin as 11/4 in others.
That doesn't smell of great value to us.

But if you fancy the Arse, a bit of 16/1 about him breaking the deadlock makes some appeal.

But Dick Advocaat has insisted Sunderland will not turn up at the Emirates with Dick the intention - and it is a dreadful expression parking the bus'.

parking the bus.

I mean, of course they are parking it somewhere. Surely they aren't walking from Wearside, this isn't the Jarrow march.

So thery might start on the front foot and their most likely front foot and their most likely first scorer, according to the layers. is Connor Wickham (left), a big lad with a powerful shot and fair heading ability. Some bookies make him just 11/1 to bag the first but you can get 16/1 with Bet365, Paddy Power and bwin.

Fine

That seems a trifle generous to this observer. Given our chosen opinion, the offer of odds against about both teams to score seems mighty fine.

The best price is 21/17 (who the hell thinks up these daff

the hell thinks up these daft prices?) in three or four places and that's we'll be getting stuck into.

BETS: Draw (5/1); correct score (28/1).

I'VE had an amazing eight winners from the last nine greyhounds I've gone 'NAPTASTIC' on! The latest winning by a huge 11 lengths, when give them the NAP treatment they usually win have you been on them? Tonight's action comes from Hove live on Sky Sports and to put it simply it does not get much

better than this. The main event is the Coral Regency over 695m worth a whopping £10,000 to the winner and its backed up with a top-class supporting card.

In the big one my ante-post tip was Touch Tackle at 9/2, that price is just a distant memory but for me and my supporters we can cheer him on knowing we've got an amazing price about an amazing greyhound.

The greyhound just oozes class and combine that with real pace and power it makes him formidable opposistion.

He's taken to Hove's wide circuit like a duck-to-water and it's really bringing out the very best In him

Connections of Droopys Flash can count themselves extremely unlucky not to be in the final of the Regency. They can get some consolation here with a nice win on the supporting

Swift Keith is no spring chicken but I'm banking on there being life in the old champion yet and I'm taking him to win here in his pre Derby warm up.

TOTEPOOL HOVE JACKPOT AND PLACEPOT

There is a minimum of £10,000 in the gross Jackpot pool and like always for the Sky Sports coverage there will be a bumper Placepot. The first leg kicks off at 19.43 and runs between races 3 - 8 (of the live coverage).

They give me a £20 charity bet for the RGT on the Jackpot and I've done 8 bets at £2.50 but you can also have a go on the Placepot. Leg 1: T1 Droopys Flash

IT'S the newspaper lads' big day out at Lingfield today and there are a couple of tips on the card that could make headline

Alan King doesn't saddle many on the level but the ones he does send out fare pretty well.

in the Telegraph Maiden Stakes (2.30) he pits his wits against the likes of Godolphin, Haggas and Sylvester Kirk. His SMART MOTIVE edges ever closer to the winning post with his nose in front. He was sent off a 20/1 shot when third of seven at Wolverhampton in March but was only beaten two lengths.

He returned to the same track last month and was only 9/1 when second, beaten four lengths. It could be his turn

today, even if the odds are sure to be

In the Citipost Claimer (4.00) the veteran AL MUHEER can show why he is one of the most versatile horses in training. He has never raced at Kempton but has

won at each of the other three all-weather tracks including over today's course and distance. He has also won on the turf at courses as diverse as Ascot and Chester.

He is on the same official rating as for his win at Wolves last month and has been put into this contest on a fighting weight.

BETS: 1pt win Smart Motive (2.30); 1pt win Al Muheer (4.00); 1pt double.

Aussie says no to England coach job

ANDREW Strauss's reign as boss of English cricket has had yet another setback.

had yet another setback.

He's already made a balls of the Kevin Pietersen situation — and now his first choice as England coach has turned down the job.

Aussie Justin Langer was the man Strauss wanted to lead England into this summer's Ashes series — but he's signed a new deal with Western Australia instead.

The former opening batsman was identified as the man to take over from Peter Moores who was given the bullet earlier this month after a poor show against the West Indies. Indies.

Indies.

Lunger has been in charge at Perth for three seasons and says he'd prefer to take on that challenge than come into the hornet's nest that is English cricket at the moment.

He said: "I am flattered to be associated with international acceptance conventions but the

associated with international coaching opportunities, but the timing isn't right for my family and I still feel there is much work to be done here in Western Australian and Australian cricket.

Timing

"Having spent nearly 20 years on the road with the Australian team as a player and then coach, I respect what an enormous commitment it is to be away from your family for almost 12 months

your family for almost 12 months of the year.

"There is no doubt I have aspirations to coach internationally, but that will depend upon timing and opportunity in the future.

"I look forward to continuing my work at the WACA and I am excited by this challenge."

Now attention will turn to another Australian, former bowler Jason Gillespie.

Jason Gillespie.

Jason Gillespie.

He's done a good job in leading Yorkshire to the county title but there's no guarantee that he will want the job either.

One man who hopes Gillespie takes the job is Joe Root, who has

worked with him at county level since breaking into the side at Headingley. He said: "At Yorkshire he has

been fantastic in my development, he took over when we were in Division Two and we'd had a really poor season the year before so the work he has done with the lads is

work he has done with the lads is fantastic.

"If he did get it I'm sure he would do a very good job at the highest level too.

I would love to work with him again, I think he is brilliant to work with but I'm sure he is sick to death of people asking him about it.

to death of people asking him about it.

"He is going to have to decide with his family and people close around him and I really hope he makes a decision he is comfortable with going forward."

And Root has kind words for former coach Moores. He said: "My game has improved drastically. A lot of credit for that has to go to Peter Moores. Over the past year he has definitely got the best out of me."

McIlroy: I'm gonna beat Nick

GOLF

RORY McIlroy has his sights set on becoming the most successful European golfer of all

He wants to overhaul Nick Faldo's record of six major titles — and thinks he could snaffle a lot more

than that. He's only 26 yet has already four of the sport's biggest prizes and double figures doesn't seem eyond the Northern Irishman.

He said: "I realise that if I can keep playing as well as I have been doing the chance is there to really make a statement and hopefully win a major or

"It's a great opportunity for me to win tournaments and to try to get my major tally up there.

"But you can't talk about a Mcliroy era. Golf is not about one person, it's not just about me.

guys keep playing well it will push me along to play better too.

"The next realistic goal would be to try and beat Faldo's record as the best

European ever.
"I've still got to get
there but I think if I could do that it would be a really huge achievement.

"I think I have got the game in me to win a lot more majors - I don't know how many but I'll just take it step by step."

Wakefield sack coach

WAKEFIELD Trinity have parted company with head coach James Webster. Webster said: "I felt now

was the right time to allow someone else to take the team forward.

"In taking this decision my hope is it will allow the club to fulfil its goal and remain in super league.

"I wish everyone at the Wildcats the best." Chairman Michael

Carter added: "It is with a heavy heart that I have today agreed the release of James Webster from his position of Head Coach.

"James rescued us last season from the threat of relegation and for that I am truly thankful. I wish James and his family every success and happiness."

Jessica Ennis-Hill announced that she'll be stepping up her comeback.
She will take part in her first heptathlon since striking gold at London 2012 in Gotzis later this month.
The stunning 29-year-old has been struggling with an Achilles injury but is feeling a lot better now.
She said: "After competing in Loughborough at the weekend I felt pretty good the next day and my Achilles felt fine which is brilliant.
"The results I have had at the competitions

The results I have had at the competitions "The results I have had at the competitions over the past few weeks are promising and we believe it is feasible for me to do a full heptathlon and achieve the level of points I need to qualify for Rio.
"If I can achieve this early in the season it removes a real pressure, and all the indicators are looking positive, so I plan to go to Gotzis and give it my best shot."

looks like Liverpool's Raheem Sterling will snub any contract talks and Bet-Victor make Man City the 15/8 favourites to sign the young England international

by 3rd September.
Sterling still has two years left on his Anfield contract and Liverpool will try and fight off any suitors this summer especially after losing Luis Suarez last year. But they will not want an unhappy player on their hands and he has hardly set the Premier League alight in the second half of the season.

In an ideal world the Reds would offload Mario Balotelli. Fabio Borini and Ricky Lambert and replace them with Divock Origi (currently on loan at Lille), a fit Daniel Sturridge and a world class striker but it looks as if it is going to be a difficult summer for the Club with the lack of Champions League football next term a concern in attracting top quality players.

Liverpool are invariably well backed for the title but at this stage they make no appeal and I can see next season being a genuine four-

Arsene Wenger must get Jack Wilshere back into the Gunners XI for this evening's clash with Sunderland (12/1)

clash with Sunderland (12/1) and I can't see past a home win despite Sunderland winning at Stamford Bridge and Old Trafford in a similar scenario last season.

This is a poor Sunderland side who got the breaks against Everton in their previous home game and that looks like it will be enough to preserve their PL status. I

me Francis Coquelin and Santi Cazorla are the midfield pairing that will drive Arsenal to the title next term.

That said Chelsea rely too heavily on Hazard staying fit, United aren't the same team without Michael Carrick who is 34 in the summer and City need Vincent Kompany fit and back to his best; he was neither this season.

Arsene Wenger will have been in charge of Arsenal for 20 years in the summer of 2016; I might be completely bonkers but I just feel Arsenal, with one or two major signings and a fully fit Wilshere, might be best equipped to win the PL title in 2015/16. At 5/1 they certainly look the value.

IONAS ON MISSION FOR FANS

By ANDY MILLOM

JONAS GUTIERREZ has promised the Toon Army that he won't let his Newcastle career end in relegation.

The popular Argentinian forward recalls the day in 2009 when the Magples dropped into the bottom three on the final day of the season.

They bounced back then but there seems to be much less harmony around St James's Park these days and it could be a lot harder to return

to the promised land.
The 31-year-old's contract expires at the end of the season and the vibes aren't great about

him getting a new deal.

Newcastle have not won since February — a

10-game winless streak that could end in the Championship if Hull beat Manchester United on

Sunday.

If that happens then the Toon need three points against West Ham. Their boss Sam Aliardyce would love nothing more than to send the team that ditched him down.

Gutlerrez said: "I don't have another option than to just think about the game, it's the most important game I have had to play in seven

Gutlerrez paid a special tribute to the fans who have helped him while he recovered from cancer — a time when it's reported that the club wasn't keen to give him a new contract.

He said: "He said: "The fans have been really good with me since I arrived and through my illness. I really appreciated their support.

"I try to do my hest for the team and for them.

"I try to do my best for the team and for them. That is more important.

"I know this could be my last game at St James's Park.

This is not a good thing for Newcastle United. This can't happen — Newcastle can't wait until the last week to see if we stay up or not in the Premier League."

But that tipped Carragher over the edge and he said: "He doesn't need to move club — he needs to change his agent, that's what he needs to change."

ALL CHANGE IN MANCHESTER

By JOHN ANTHONY

IF you're looking to open a new business - now's the time to become removals man Manchester

There's going to be more ins and outs than a cat's proverbial at City and United over the next couple of months.

Months.

A host of star players from each side are packing their bags as managers Louis Van Gaal and Manuel Pellegrini get the cheque books out.

And before they can move

to bring in new men, plenty of old ones need the order of the boot.

At United, there's mixed feelings as they get ready to chase Gareth Bale, Cristiano

Ronaldo and others who can

get them back to near the top of the Premier League. Their main worry is losing their goalkeeper David De Gea — the best they've had since Schmeichel packed in.

He looks ever more certain to be wearing a Real Madrid shirt next season with the bookies pricing him up at just 1/5 to be at the Bernabeu come the big kick-off in August.
So while that leaves a huge

gap between the sticks, it will free up an extra £30m or so to splash on new talent. Mind you, Van Gaal hasn't quite given up the fight to keep him just yet. He said: "He has to decide

because we have given a fantastic contract because we want him to stay. I analyse

his position and then I say he is Spanish, he is Spanish international, still behind Iker Casillas.

"Now a Spanish club is coming, his girlfriend is Spanish, his father and mother come every week or every two weeks here, so it is difficult." difficult.

De Gea limped off against Arsenal at the weekend and, with a big-money move with a big-money move looming, he won't be risked in the last game if he's not fully fit.

So, United fans, you may have seen him wear the shirt for the final time.

Further up the pitch, Van Gaal will be happier to see the back of some underperforming members of his squad.

Radamel Falcao did the

full "wave at the crowd" act when coming off against the Gunners. Even though there was

barely a wet eye in the house as his loan move has been little short of a flop. He'll go back to Spain and Robin Van Persie might well join him too as United look to

get a fee for the Dutchman before his contract enters its

final year. He was incredible during his first season at Old Trafford but his injury blight has returned and the past two years have been very much underwhelming.

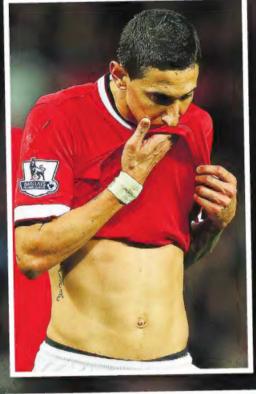

Similar comments apply to Angel Di Maria, who has hardly lived up to his status

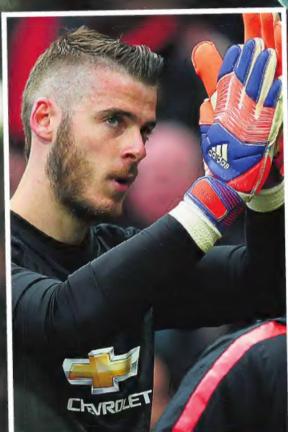

as United's record buy.

To be fair, he hasn't had much of a run in the team but

League.

They would have to take a hit of around £20m on the Argentinian but it's a hit that would be worth it to bring in a guaranteed starter.

Across town, City are sure to be lining up some galactico signings of their own — but whoever comes in will have massive boots to fill as Yaya Toure heads the other way.

The Ivorian hasn't been at his best this season and that's

Mind you, he has found the time to bang in 20 Premier League goals this season — an amazing effort — so it might be worth looking at some of the other City men when handing out blame for this poor season.

Roberto Mancini is keen to bring him to Inter Milan and Pellegrini is desperate to keep him, saying: "He is happy, and we are not thinking about next year.

year.

"Every Premier League player has good and bad moments. This season has not been Yaya's best but he is always a very important player."

And fellow midfielder James Milner is another who will be a major loss to the Blues.

Liverpool looks set to be his next port of call and he'd be one of the better free transfers

of recent seasons.

But again the City boss can't bear to part: "James can play 10 positions and always do well. It is a decision James must take at the end of the season as to what is best for his future. his future.

"He is an important player for our team because he is an intelligent player, who can play in several positions and always gives 100 per cent.

will raid Spurs to bring goalie Hugo Lloris to Old Trafford.

UNITED

French number one Lloris has done little wrong since moving to London from Lyon in 2012.

at United.

But he won't come cheap, with Tottenham chairman Daniel Levy a notoriously tough negotiator.

In an ideal world, United would spend the fee brought infor De Gea on a new keeper, so they don't have to dip into their £150m transfer fund.

But, with the Spaniard near the end of his contract, the Old Trafford giants may

have to shell out £10m more to prise Lloris away from White Hart Lane. That would

value him at somewhere around £30m.

United have other options in Victor Valdes, who is already at the club, or even Petr Cech who is leaving Chelsea this summer.

Radar

But the thought is that both of those keepers are past their best and neither have played much in the past 12 months. Another man on the radar

is Asmir Begovic from Stoke but his lack of big-match experience could be a sticking

experience could be a sticking point.

That's not a worry with Lloris who is coming into his prime at 28 and has had another solid season in north London.

He's the captain of France with 65 caps to his name and the bookies are in little doubt that he'll be first choice at United next season.

They make him favourite, at a shorter price than De Gea—and the bookies rarely get these things wrong.
